Addressed To Eastern Livestockmen

The Eastern National Livestock Show, Inc. is a non-profit organization, organized and operated for the benefit of the livestock industry.

The Eastern National is unique in that it is YOUR show . . . every decision and action is aimed at providing the best opportunity for you to compete, to display your stock or to see some of the finest livestock in the country.

The foundation of the Eastern National is its MEMBERS . . . and we wish to remind you that only through your active support will it continue as the showplace for all livestock in this area. By active support, we mean prompt renewal of memberships and generous contributions to the Sustaining Fund, and the affiliation of new members.

We would further point out that the Premium List and Catalog are excellent advertising media, with a circulation of 2,000. The revenue from advertising as well as entry fees, contributes to keeping the Eastern National on top.

Your Board of Directors has many plans for expansion and improvement, but adequate funds are a limiting factor. It would behoove all of us to do some real soul searching, and lend support as though it was our primary promotional endeavor.

Your officers and directors sincerely hope you will enjoy and benefit from the 22nd Eastern National.

HEREFORD

(Horned and Polled Competing)

The 1968 Eastern National has been designated as one of the ten "Register of Merit" Hereford Shows in the United States.

The American Hereford Association, Hereford Drive, Kansas City, Missouri, pays one-half of the above classification of prizes for registered Hereford breeding cattle. The Association's share will be mailed directly from their Kansas City office.

The Maryland Hereford Association offers a silver trophy for the best five head of Hereford breeding Cattle in the Show, both sexes represented.

All exhibitors who have at least five head of cattle are required to show in the five head division unless officially excused. Those failing to show will not be paid regular premium money.

The Officers and Directors of the Eastern National Livestock Show deeply regret the passing of W. Fenwick Keyser. "Fen" became a member of the Eastern National in 1949 and was an active member until his untimely death. He was individually responsible for introducing the Charolais breed into the Eastern National and worked faithfully to make this one of the finest Charolais Shows in the nation. He shared advice, assistance and complete cooperation with management. He was a gentleman and a friend.

William F. Schluderberg Memorial Classes For Novices

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

Numbers . . .

Over 500 blue ribbon winners, champions and hundreds of other show animals have been purchased by Esskay at the Eastern National Livestock Show since its inception. This represents a sizeable investment.

and . . . we think it one of the wisest investments we've made because we believe in the livestock industry, the 4H and FFA Clubs and think it important we support them.
